## Keeping Churches Safe

On November 5th, in Sutherland Springs, Texas a gunman killed twenty six church goers. This terrible tragedy immediately sparked concern across our community. What might we need to do to address security concerns in our local congregations? This training is a first step to answer this question. Keeping vigilant for the long term will require addressing underlying causes of these outbreaks of violence. This is why we have decided to focus this training around the topics of sexual assault, domestic violence, mental health, and building safety.

This training is designed with deacons, ushers, and building and grounds committee members in mind. However all are welcome to come and be a part of learning how to contribute to a safe church environment.

Love must be sincere. Hate what is evil; cling to what is good. Be devoted to one another in brotherly love.
